Due to a restriction on the number of people permitted in the room booked for the General Meeting a decision has been taken to hold the meeting in a larger venue.

In order to ensure that no SCA member misses out on the opportunity to attend the meeting and to vote at the meeting, the following steps have been taken:

- The change of venue was announced on the SCA website on 14th January.
- Anyone arriving at Caledonia House will be redirected to the new venue by SCA officials. They will be given a map and directions.
- The start of the meeting will be delayed till 11:15 to allow time for anyone arriving at Caledonia House to reach the new venue.
- It is anticipated that most attendees will travel by car. Limited transport will be provided to the new venue for those arriving at Caledonia House on foot.
- A notice will be displayed at Caledonia House so that anyone arriving late will be advised of the new venue.
